

1. Territory: Worldwide

2. Purpose

Purpose of this document is to provide participating Cybersecurity Academy member institutions with the process for

- 1) Students and the Institution Bookstore to access the Cybersecurity Academy online student store to purchase with a credit card:
 - a. Printed copies of select PANW course books
 - b. Printed printed copies of other select PANW curriculum materials like the Cybersecurity Survival Guide
- 2) faculty to access the Palo Alto Networks online courseware web store to order
 - a. One free printed copy of selected course books

3. Institution Eligibility

Institutions must be a participating member of the Palo Alto Networks Cybersecurity Academy program to be eligible to have faculty access the Cybersecurity Academy Store hosted by our partner, Onfulfillment.

4. Available PANW Course Materials Available in the Student Store

Palo Alto Networks reserves the right to modify the list of eligible PANW courses materials and resources at its discretion.

The Palo Alto Networks Cybersecurity Academy Store is intended only for member institutions and their faculty.

Courseware Name	Cost
Firewall 8.1 Essentials: Configuration & Management (EDU-210)	\$40.00
Panorama 8.1: Managing Firewalls at Scale (EDU-220)	\$40.00
